Maria - Total Body, Group Cycle PM; Michele - Kickin' Combo, Low Impact, Happy Hour; Vickie: Chair Zumba ; Heather: Step HIIT

## CLASS DESCRIPTIONS

**Group Cycle**– Group Cycling is a high energy indoor cycling class set to music using a stationary bike with a weighted fixed-gear flywheel. Riders of all abilities can spin together and tailor their training session by individually controlling their cadence and/or adjusting the bike's resistance.

**Happy Hour**– Start your weekend with a Friday Happy Hour workout! Get rid of your end-of-the-week stress with some aerobic training and resistance training.

**Kickin' Combo**– No bags, no gloves, just a “knockout” workout! A dynamic and explosive class that incorporates kickboxing techniques with an intense cardio workout.

**Low Impact**– Low impact doesn't have to mean low intensity! This is a fat-burning workout that keeps one foot on the ground at all times.

**Retro-Robics** - A "Blast from the Past" class! Traditional aerobics that will help you work up a sweat, infused with a variety of other workout styles.

**SilverSneakers Circuit**®– Experience low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill. A chair is available for seated or standing support.

**SilverSneakers Classic**®– A variety of exercises designed to increase muscular strength, range of movement, and activities for daily living. Hand-held weights, elastic tubing with handles and small balls are used for resistance. A chair is available for seated or standing support.

**Total Body**– Work all muscle groups with a variety of strengthening and conditioning exercises. This athletic based sculpting class tones upper and lower body using resistance like hand weights, body bars and your own body weight.

**Chair Zumba**- A seated full body workout to liberating and fun music. Experience Zumba like you never experienced it before.

**Step HIIT**- Join us to burn some calories, boost your cardiovascular health, and build endurance- all while having fun. With motivating playlists and creative choreography, this class provides the best sweat to your workout, and smile to your day.
